

EN
ANNEX

Annexes I and II are amended as follows:

(1) Annex I is amended as follows:

(a) In part A, under the heading " Vitamins, provitamins and chemically well-defined substances having similar effect", in the entry referring to the additive Vitamin K, the words " L-menadione sodium bisulphite" are replaced by " menadione sodium bisulphite"

(b) In part A, under the heading "Other colourants" the entry of the table referring to colouring agents authorised for colouring foodstuffs by community rules is replaced by the following

Relevant number	Colouring agents authorised for colouring foodstuffs by Community rules, with the exception of: E150b, E150c and E150d Caramel colours; E 141 Chlorophyllin Copper Complex; E 172 Iron Oxide Red, Black & Yellow; E 171 Titanium dioxide (anatase & rutile structure); E 153 Carbon black	All species
-----------------	---	-------------

(c) In part B, under the heading "Carotenoids and xanthophylls", the entry for the additive E161j Astaxanthin is replaced by the following:

E161j	Astaxanthin	All species with the exception of: — Fish and crustaceans for uses belonging to the functional group 2(a) (ii) — Ornamental fish for uses belonging to the functional group 2(a) (iii)
-------	-------------	--

(d) In part B, under the heading "Other colourants" the table referring to the entries for the additives E155, E104, E122 and E106b is replaced by the following:

E 155	Brown HT	Cats; Dogs
E 104	Quinoline yellow	All species except non-food producing animals for uses belonging to the functional group 2(a) (i)
E 122	Azorubine (carmoisine)	All species with the exception of dogs and cats.
Relevant number	<p>Colouring agents authorised for colouring foodstuffs by Community rules, with the exception of:</p> <p>E102 Tartrazine.</p> <p>E 160b Bixin.</p> <p>E 110 Sunset yellow FCF</p> <p>E 120 Carmine (Carmine Lake WSP 50%)</p> <p>E 124 Ponceau 4 R</p> <p>E 127 Erythrosine</p> <p>E 129 Allura red</p> <p>E 132 Indigotine</p> <p>E 133 Brilliant blue</p>	<p>Dogs and cats</p> <p>Dogs and cats.</p> <p>Dogs and cats.</p> <p>Dogs and cats</p> <p>Dogs and cats</p> <p>Dogs, cats and reptiles</p> <p>Dogs and cats</p> <p>Dogs and cats</p> <p>Dogs and cats</p>
E 160 b	Bixin as a colouring agent	Ornamental fish
E102	Tartrazine	All species except ornamental fish, grain-eating ornamental birds and small rodents
E131	Patent Blue V	All species except non-food producing animals for uses

		belonging to the functional group 2(a) (i)
E 124	Ponceau 4 R as a colouring agent	All species except ornamental fish
E127	Erythrosine as a colouring agent	All species except ornamental fish.
E132	Indigotine as a colouring agent	All species except ornamental fish
E 141	Chlorophyll copper complex as a colouring agent	All species except cats, dogs, grain-eating ornamental birds and small rodents
E110	Sunset yellow FCF as a colouring agent	All species except ornamental fish, grain-eating ornamental birds and small rodents
E 153	Carbon Black as a colouring agent	All species except ornamental fish
