Having regard to Regulation (EC) No 2065/2003 of the European Parliament and of the Council of 10 November 2003 on smoke flavourings used or intended to be used in or on foods¹, and in particular Article 11 thereof,

Whereas:

- (1) On 17 March 2022, an application was submitted on behalf of Nactis (‘the applicant’) in accordance with Article 11(1) of Regulation (EC) No 2065/2003, requesting a change to the name of the holder of the authorisation for the smoke flavouring primary product ‘Tradismoke™ A MAX’ listed in the table in the Annex to Commission Implementing Regulation (EU) No 1321/2013².

- (5) In order to ensure a smooth transition, it is appropriate to provide that the smoke flavouring primary product ‘Tradismoke™ A MAX’, smoke flavourings derived therefrom and foods containing the smoke flavouring primary product or smoke flavourings derived therefrom, which comply with the rules applying before the date of entry into force of this Regulation, may continue to be placed on the market and used until the existing stocks are exhausted.
- (6) The measures provided for in this Regulation are in accordance with the opinion of the Standing Committee on Plants, Animals, Food and Feed,
